ATTENTION FORMER STUDENT MEMBERS: NEA policy allows a rebate to former NEA student members who join the NEA as active members during their first year of educational employment. The rebate is equal to \$20 for each year of Student membership, up to four years, and is available directly from NEA. Forms are available upon request from your IEA Region office or the IEA Headquarters office.

PLEASE READ CAREFULLY

I hereby apply for membership in the associations indicated above and agree that my membership in these associations is to continue from year to year hereafter. I hereby assign to the IEA a sufficient amount from my salary to pay for the membership dues and voluntary contributions indicated above unless I revoke this authorization to the local association president in writing prior to the date established by the local association which can be no later than October 15 of any year hereafter. If for any reason my employment is terminated prior to the end of any contract term, the payments for which I am obligated shall be prorated by the number of months I am employed for that contract year.

I understand that the annual dues for continuing membership are subject to change by the policy decisions of the IEA and NEA. Dues payments (or a portion) may be tax deductible as a miscellaneous itemized deduction. The IEA Children’s Fund is a 501(c)(3) organization, and donations to the IEA Children’s Fund are tax deductible to the extent allowable by law.

*The National Education Association Fund for Children and Public Education (NEA Fund) collects voluntary contributions from Association members which are used for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for federal office. Only U.S. citizens or lawful permanent residents may contribute to the NEA Fund. Contributions to the NEA Fund are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Contributions to the NEA Fund are not deductible as charitable contributions for federal income tax purposes. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year.

Federal law prohibits The NEA Fund from receiving donations from persons other than members of NEA and its affiliates, and their immediate families. All donations from persons other than members of NEA and its affiliates, and their immediate families, will be returned forthwith.

The IEA Political Action Committee for Education (IEA-PACE) collects voluntary contributions from Association members and uses those contributions for political purposes, including but not limited to, making contributions to and expenditures on behalf of friends of education who are candidates for state or local office. Contributions to IEA-PACE are voluntary; making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. Although IEA-PACE may request a specific annual contribution, this is only a suggestion. A member may contribute more or less than the suggested amount or may contribute nothing at all without it affecting his or her membership status, rights, or benefits in the IEA or its affiliates. Contributions to IEA-PACE are not deductible as charitable contributions for federal income tax purposes.
